population density. Work with the shelter and veterinary team to ensure the 5 freedoms for animals in shelter and clinic care.

- Perform emergency medical care as needed for shelter animals that are hit by car, part of animal abuse cases, and more.
- Serve as a resource to assist veterinary and shelter team with protocols for sanitary measures, feeding, disease prevention and general care and surgery. Assist with creating and writing Standard Operating Procedures (SOP).
- Assist with humane investigations with cases such as but not limited to examining animals, treating animals, writing statements and testifying in court.
- Answering questions and provide educational information using great customer service techniques to assist customers with pet ownership needs and to guide them to PHS programs, services and collateral.
- Execute procedures in a competent, safe, and efficient manner.
- Maintain and provide proof of a current license to practice veterinary medicine in California.
- Must be willing to be the Managing License Holder with the Veterinary Medical Board.
- Maintain and provide controlled drug licenses.
- Maintain complete records in a computer system and controlled substance logs.
- Adhere to applicable state and federal laws governing the practice of veterinary medicine.
- Participate in and provide proof of continuing educational requirements.
- Maintain strict confidentiality on client, patient, and donor information.
- Work with management and staff to ensure a smooth running facility and communicate process improvement ideas as appropriate.
- Ensure a positive, educational approach to customer service with a goal of educating the public and keeping animals in homes as appropriate. Promote positive relations with the general public, volunteers and staff while promoting the Society's programs, policies and philosophies. Address customer complaints.
- Uphold Pasadena Humane Society's mission and contribute to building a culture of philanthropy.
- Ensure a safe working environment and actively participate in PHS safety programs.
- Participate as needed in special department projects.
- Work as a team member with other departmental managers.
- Represent PHS at outside meetings, act as a liaison with other organizations and contractors/partners as needed. Make presentations and speak publically about PHS.
- Perform other duties as assigned.
