What’s My Diet?

Read the description of each diet and match each animal to their diet below.

1. I am a carnivore. I eat a meat-based diet. It’s better to feed me several small meals a day.

I am a ______________________________

2. I eat flakes of food that float in water! I don’t have a stomach, but my other intestines do the job just fine.

I am a ______________________________

3. I eat seeds. I also eat vegetables and chopped fruit because I need to eat small pieces.

I am a ______________________________

4. I am an herbivore. This means I do not eat any meat. I eat a mix of hay and veggies.

I am a ______________________________

5. I like to eat dead mice. They are usually whole and purchased from the pet store.

I am a ______________________________

6. I am an omnivore. I eat meat and plant-based food. I can eat wet or dry pet food.

I am a ______________________________
