

## What Do You Think?

Hey, kids! We want to know what you think!

**Step 1:** Take a moment and fill out this survey below. Please check off up to three of the issues listed below.

**Step 2:** Using two different colored pens, ask two other people to fill out the same survey.

**Step 3:** Answer the remaining questions below and see how other people view the issues in your community.

**I believe that the three biggest animal-related issues in our community are (pick 3):**

- Pet overpopulation
- Free-roaming dogs
- Free-roaming cats (feral cats with no home)
- Cats that have owners but that are free to roam outside
- Overpopulation of animal fowl (chickens, ducks, geese, etc.) on public or private land
- Dogs and cats without microchips and ID tags
- Dogs tied up that seem to not be cared for by owners
- Roadkill
- Coyotes roaming in your neighborhood
- Other: \_\_\_\_\_

I believe I could help these three biggest animal issues in my community by:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
