

Photography Contract for Mini Sessions for Calendar Contest Winners

Entire Agreement: This agreement constitutes the entire understanding between Wren Louis Photography and the Client, superseding all prior and concurrent agreements between the parties. Any modifications or additions to this agreement must be made in writing and signed by all parties involved. If any part of this agreement is waived by one party, it does not constitute a waiver of the entire contract. Any waiver must be provided in writing by the party against whom the waiver is sought to be effective.

Reservation: To secure the specified coverage outlined in the booking confirmation email, a signed contract is necessary. However, winners of the Pasadena Humane Society Calendar Competition are exempt from paying a session fee for their mini session (one pet, lasting 20 minutes).

Calendar Sessions: Dog sessions will take place on a designated day and location in Pasadena or San Marino, as determined by Wren Louis Photography. Winners of the calendar contest will receive a scheduling link to choose a convenient time and book their mini session. These sessions will typically last about 20 minutes, focusing on capturing one image for the calendar. Please note that mini sessions are limited to one pet per session. For critters, cats, or other sensitive animals, arrangements can be made with Wren Louis Photography for a home session (within 25 miles of 91105, fees may apply for outside of photographer's location)

The Calendar Image: The photographer, Wren Louis Photography, and Pasadena Humane Society, will choose the best image of the pets to be used in the Pasadena Humane Society calendar as well as which month that image will appear.

Session Inclusions: Each winner of the calendar contest will receive a 20-minute mini professional photo session, along with a digital copy of the selected image for the calendar. Furthermore, winners will have the option to participate in a viewing and ordering session, where they can explore the opportunity to purchase additional products and digital images.

Cooperation: The parties agree to cheerful cooperation and communication for the best possible result within the definition of this assignment. If at any time during the session Wren Louis Photography doesn't feel safe due to the pet's behavior, it is up to

Wren Louis Photography discretion to continue the session or to end the session. If Wren Louis Photography decided to end the session, Wren Louis Photography is not liable to compensate the client or offer a reschedule. In the event the pet is uncooperative, we will work with him/her as best we can. If the pet is uncooperative throughout the duration of the session and there were no satisfactory images produced that meet the standards of Wren Louis Photography, a reschedule session will be offered to the Client.

Copyrights: The photographs produced by Wren Louis Photography are protected by Federal Copyright Law (all rights reserved) and may not be reproduced in any manner without both Wren Louis Photography and Pasadena Humane Society's explicit written permission.

The photographic images are the property of Client for personal use and for the purpose of the reproduction and giving of photographs to friends and relatives.

Calendar Image Usage Permission: The Client grants Wren Louis Photography and the Pasadena Humane Society permission to utilize the selected image from the photo session for inclusion in the 2026 Pasadena Humane Society Calendar. The Client also agrees to release all claims to profits that may arise from the use of these images.

Exhibition: The Client grants Wren Louis Photography and Pasadena Humane Society permission to display selected images resulting from this assignment as an example of Wren Louis Photography's work and for entrance into photographic competitions and release all claims to profits that may arise from use of images.

Model Release: The Client hereby grants Wren Louis Photography and Pasadena Humane Society the irrevocable and unrestricted right to use and publish photographs of the Client's pet, or photographs in which the Client may be included, for editorial, trade, advertising, trade award competitions, and any other purpose and in any manner and medium. This includes the right to alter the photographs without restriction and to copyright them, including those used in the 2026 Pasadena Humane Society Calendar. The Client hereby releases Wren Louis Photography and Pasadena Humane Society from all claims and liability related to said photographs.

Limit of Liability: Wren Louis Photography takes the utmost care with respect to exposure, transportation, and processing the photographs. However, in the unlikely event that photographs have been lost, stolen, or destroyed for reasons within or

beyond Wren Louis Photography's control, Wren Louis Photography will offer the Client another session and no charge.

The client is responsible for the behavior and actions of their pet. If the pet injures the photographer, another person, or another animal, the client assumes liability.

Wren Louis Photography is not held responsible or liable in such instances.

Additionally, the client is liable for any damages to equipment or property caused by their pet during the session.

Social Media Policy: Wren Louis Photography and Pasadena Humane Society permit you to share any of your photos on any social media platforms. However, any alteration of photos using "filters" or creative cropping constitutes a direct violation of this contract and must be promptly removed. When sharing on social media, please ensure that proper credit is given to Wren Louis Photography in the caption, including a link to the Wren Louis Photography website wrenlouis.com and social media handle @wrenlouisphoto, as well the Pasadena Humane Society's social media handle @pasadenahumane and website pasadenahumane.org

Extensive Editing Policy: It is standard that your photos be edited and provided to you in our agreed upon timeline. If the Client requests more extensive editing: Editing can be provided for a fee of \$50 per hour to be paid prior to any additional editing being completed.

Session Fees: There is no session fee for the calendar competition winners for their mini session.

Cancellation by Client: If you need to cancel or reschedule your photography session, please notify us at least 48 hours in advance of the scheduled appointment time. Cancellations made less than 48 hours before the session will result in forfeiture of any complimentary session, prizes, or gifts provided to the client.

Rescheduling: We will make every effort to accommodate rescheduling requests, subject to availability.

No-Show Policy: Failure to show up for a scheduled session without prior notification will result in forfeiture of any complimentary session, prizes, or gifts provided to the client.

Photographer's Cancellation: In the unlikely event that we need to cancel a session due to unforeseen circumstances (such as inclement weather or photographer's illness), we will collaborate with you to reschedule for the next available session.

Tardiness: If the Client is late to the scheduled appointment, the session will still conclude at the originally scheduled ending time. Wren Louis Photography will not be obligated to produce the same volume of images as in a full session. The Photographer will wait at the agreed-upon meeting location until 20 minutes after the session start time. If the Client does not arrive within this timeframe, it is at the Photographer's discretion to cancel the session.

Completion Schedule: Editing and preparing for the Viewing and Ordering Session takes approximately 2 to 3 weeks. In the event the Editing process is outside of this time advised, the Client will be notified via email.

Delivery of Products: The competition prize products mentioned in the 'Session Inclusions' above will be provided upon completion of the calendar. Any additional products purchased will be available for collection within the normal turnaround times, which will be advised by the photographer at the time the order is placed.

A percentage of the profits will be allocated for donation to the Pasadena Humane Society.
